Welcome to Intex Sri Lanka 2023!

Chairman and Chief Executive Officer, Sri Lanka Export Development Board.

It gives me a great pleasure to send this message for the Intex South Asia 2023 exhibition in Colombo organized by the Worldex India Exhibition & Promotion Pvt. Ltd.

Intex South Asia 2023 held in Sri Lanka provides a comprehensive sourcing platform for Sri Lankan Apparel manufacturers, importers, buying houses and brands. This exhibition connects global suppliers of innovative, high performance textile from India, Pakistan, Bangladesh, China, Hong Kong, South Korea, Taiwan, UK and many others, with buyers from the South Asian region and the rest of the world. Intex is an ideal opportunity for the Sri Lankan apparel companies to strengthen business partnerships and create a positive platform for future business.

The EDB has joined hands with Worldex India Exhibition & Promotion Pvt. Ltd in organizing the Intex South Asia exhibition since its inception in 2015 taking into consideration the opportunities created for the Sri Lankan apparel exporters to source their raw materials under one roof.

I hope this event will be an opportunity for Sri Lankan exhibitors and apparel manufacturing companies to upgrade the industry, move up the value chain and gain a competitive advantage.

I wish the exhibition all success..

Dr. Kingsley Bernard

Chairman / Chief Executive Officer
Sri Lanka Export Development Board

Sri Lanka – India Trade Ties

Sri Lanka and India enjoy a vibrant and growing economic and commercial partnership. India is also one of the largest contributors to FDI in Sri Lanka exceeding US\$ 2.2 billion. In 2022-23, Sri Lanka exported products worth US\$ 1 billion to India while importing products from India worth US\$ 5.1 billion. For the textile and apparel industry, Sri Lanka imported US\$ 146.47 million in yarn, US\$ 311.78 million in knitted fabrics, and US\$ 278.38 million in woven fabrics from India in 2022.

The recent meeting between Hon'ble President Shri Ranil Wickremesinghe and Indian Prime Minister Narendra Modi saw the two leaders adopt a 'vision document' to accelerate mutual cooperation across industries and deepen bilateral relations between India and Sri Lanka.

The Sri Lankan Flag is the oldest in the world:
Dating all the way back to the 5th Century AD, Sri Lanka's flag is officially the oldest flag on the planet. The golden lion on the flag was removed and then reintroduced, holding a golden sword, after Sri Lanka's independence in 1948.
