INTEX SRI LANKA 2025

Celebrating **10 YEARS OF TEXTILE EXCELLENCE**
(2015-2025)

A Decade of Connecting the Textile World

The 17th edition of Intex South Asia unfolded in Colombo with resounding success, marking the 10th anniversary celebration of South Asia's largest and most influential international textile sourcing show. Held from 6–8 August 2025 at BMICH, Colombo, the show brought together 250+ Exhibitors, 400+ Booths, 15+ Countries & Regions that attracted 6944 buyers and trade visitors from Sri Lanka, India, Bangladesh, Pakistan, UK, Australia, China, Egypt, Hong Kong, Italy, Japan, Maldives, Philippines, Russia, Saudi Arabia, Singapore, South Africa, Switzerland, Thailand, UAE, USA and others.

A Grand Opening Ceremony

The show was inaugurated in the presence of esteemed dignitaries including Hon. Sunil Handunnetti, Minister of Industry & Entrepreneurship Development, Sri Lanka; H.E. Miyon Lee, Ambassador of the Republic of Korea; H.E. Dewi Gustina Tobing, Ambassador of the Republic of Indonesia; Mr. Saurabh Sabhlok, First Secretary (E&C), High Commission of India, Colombo; Mr. Chaturanga Samarawickrama, Chairman, Sri Lanka Export Development Board (EDB); and Mr. Saif Jafferjee, Chairman, JAAF. The ceremonial lamp lighting and ribbon cutting was followed by powerful addresses that set the tone for three days of business, collaboration, and knowledge sharing.

For over a decade, Intex South Asia has played a transformative role in positioning Sri Lanka as the gateway to South Asia's textile and apparel supply chain. This year's edition has shown us once again how international collaboration, technology, and sustainability can shape the future of our industry. The Government strongly supports such platforms that not only strengthen our trade links but also empower our entrepreneurs and manufacturers to compete on the global stage. With this strong beginning, Intex Sri Lanka 2025 opened its doors to the world, creating an energetic platform where sourcing met innovation, and partnerships shaped the future of fashion and textiles."

Message FROM THE MINISTER

Sunil Handunneti

Hon'ble Minister of Industry and
Entrepreneurship Development,
Government of Sri Lanka

Global VOICES, Shared VISIONS

The second day of Intex Sri Lanka 2025 echoed with endorsements, excitement, and encouragement from dignitaries, industry leaders, and participants who celebrated the show's role as the region's most trusted international textile sourcing platform.

VIP Testimonials

H.E. Miyon Lee, *Ambassador of the Republic of Korea to Sri Lanka*

“We are very excited to have Korean companies participating together under the Korean Pavilion, supported by the Korea Textile Trade Association. I hope this platform enables Korean companies to find strong partners to build and expand Korea–Sri Lanka textile operations and investments.”

H.E. Dewi Gustina Tobing, *Ambassador of Indonesia to Sri Lanka*

“I am delighted to have my delegation from the Indonesia Textile Association participating in Intex 2025 today. Intex offers an excellent opportunity for partnerships and collaboration with Sri Lankan companies as well as businesses from other countries. We are truly happy to be here.”

Hon. Chaturanga Abeysinghe, *Deputy Minister of Industry and Entrepreneurship Development, Government of Sri Lanka*

“We thank Worldex for bringing Intex Sri Lanka 2025 to Colombo for the 10th time. This event has grown into a leading regional platform, showcasing world-class suppliers of fabrics and machinery, along with innovations driving sustainability and productivity in the textile industry. The Government is fully committed to supporting Sri Lanka's industry through global collaboration, and we are proud to host this event in our capital city.”

Saifuddin Jafferjee, *Chairman, Joint Apparel Association Forum (JAAPF)*

“Happy to be a part of Intex Sri Lanka 2025. Intex brings together exhibitors from many countries including China, Pakistan, Taiwan, and Indonesia, showcasing a wide range of products across apparel, supply chain, and machinery. This event offers a valuable platform for the industry to explore new sourcing opportunities, discover innovative sustainable products, and foster stronger, more competitive relationships that benefit the entire sector. Join us and explore what the world has to offer!”

EXHIBITION *Buzz*

Across three days, the show floor buzzed with live demonstrations, interactive buyer-seller meetings, and international networking. The presence of country pavilions from India, Korea, Indonesia, Pakistan, Sri Lanka, China showcased a wide spectrum of sourcing opportunities - from fibers, yarns, fabrics, trims, clothing accessories, dyes & chemicals, to sustainable, compliance and traceability solutions.

Buyers were seen exploring new product ranges, innovative materials, and smart textile solutions that directly address the needs of tomorrow's fashion and apparel industries. Exhibitors, on the other hand, experienced strong traffic, high-quality inquiries, and new market leads, further validating Intex's reputation as the preferred platform for sourcing in South Asia.

What Happened AT INTEX SRI LANKA 2025?

Pavilions of Global Excellence

Under the country and regional pavilions at Intex, more than 100 companies exhibited to showcase their latest textile innovation, wide range of eco-friendly products and smart technology solutions for the textile and apparel industry. The first pavilions of Korea Textile Pavilion with 10 companies was formed by Korea Textile Trade Association and KOTRA Colombo; Indonesia Showcase Pavilion by API – Indonesia Textile Association and Embassy of Indonesia in Colombo; Sri Lanka Pavilion by FAAMA – Fabric & Apparel Accessories Manufacturers Association (FAAMA) and Indian Pavilion by MATEXIL - Manmade and Technical Textiles Export Promotion Council were one of the key highlights and success stories of Intex Sri Lanka 2025.

Breakthrough B2B Interactions

Beyond the exhibition, two high-level B2B interaction and networking events were held for **Kasturi Cotton Bharat (KCB) Programme implemented by TEXPROCIL**

Under the aegis of Ministry of Textiles and CCI on 6th August 2025 and B2B Interaction & Networking with **Indonesia Textile Delegation organised by Embassy of Indonesia**, Colombo on 7th August 2025 at BMICH.

Both events were quite successful in creating meaningful connections for Sri Lanka's industry stakeholders and buyers.

IBF Seminar Series

The Interactive Business Forum (IBF) Seminar Series was one of the most anticipated features of Intex Sri Lanka 2025 on the key topics such as Apparel 2030: Re-stitching Fashion's Next Chapter and Trust Over Trends: Building Brands Consumers Trust. Across two insightful days, industry leaders, policymakers, and innovators from Sri Lanka, India, Bangladesh, Indonesia, the USA, the UK, and beyond came together to share expertise and perspectives on the future of textiles and apparel.

A NIGHT OF Celebration Creativity Connections

The Fashion Fiesta Networking Reception was one of the most vibrant highlights of Intex Sri Lanka 2025. Organized as part of the show's 10th anniversary celebrations, the evening brought together industry leaders, dignitaries, exhibitors, buyers, and partners for a night of fashion, felicitation, and festivity.

A grand felicitation ceremony recognised the contribution of nodal agencies, industry associations, pavilion organisers and trade partners who have supported Intex since its launch in Sri Lanka since 2015. Their unwavering partnership has been the cornerstone of the show's growth and success. The Fashion Fiesta also served as an ideal platform for informal networking where buyers, exhibitors, diplomats. The Fiesta also served as an ideal platform for informal networking, where buyers, exhibitors, dignitaries, and international delegates connected beyond the exhibition floor. Lively conversations, cultural exchange, and shared celebrations made the evening a memorable milestone in the Intex legacy.

As the night concluded, the Fashion Fiesta left its mark not only as a celebration of fashion but as a testament to the spirit of collaboration and community that defines Intex Sri Lanka.

Some of the REMARKS FROM THE INDUSTRY

Intex Sri Lanka Exhibition has always been one of Sri Lanka's flagship B2B trade shows and networking platforms, bringing the biggest opportunities for our exporters in the garment industry.

Mr. Suresh De Mel, Past Chairman & Chief Executive, Sri Lanka Export Development Board (EDB)

I think what Intex is doing for Sri Lanka is a superb job, bringing together all the suppliers, buyers, and opportunities you are creating. It is amazing. Today, especially, the fact that you took the step to facilitate all the people who have been in the industry and are still in the industry is very nice.

Ms. Thushara Wickramasinghe, Past Chairman, Sri Lanka Apparel Sourcing Association, and Former Country Director, Marks & Spencer, UK

Intex 2025 is an excellent show. Congratulations to the team; they have done a great job, and this time it is unbelievable. It is much better, and all the suppliers are really helpful to us.

Mr. Anis Sattar, Managing Director at T&FG (Timex Garments)

I am very happy and pleased to be here at the Fashion Fiesta 2025, organised by Intex. This event is magical — I got to meet so many amazing people here. Congratulations to all the people who participated in this massive exhibition.

Ms. Jasveen Kaur, Member, Brands and Sourcing Leaders Association (BSL), and Sr. Sourcing Director, Newtimes Group, India

EXHIBITOR Testimonials

Pakistan

Binisha, Export Manager, Umami Textile

It has been a great experience being part of Intex Sri Lanka. We had the chance to meet a lot of potential buyers, and the response has been really positive.

Ling Chien, Sales Representative, Own Way Textile

This was our first time participating in Intex Sri Lanka, and it has been a good show. We look forward to participating again next year.

Taiwan

Jeanette Lee, Senior Sales Manager, MODACREA

We have received a great response from buyers and connected with many of them during the event. Therefore, we are definitely looking forward to participating in next year's Intex Sri Lanka.

Korea

Raymond, Senior Sales Manager, Li Jun (HK) Industrial Co. Ltd.

This being our first time exhibiting at Intex Sri Lanka, I am honored to say it has been a very good opportunity to recommend our products to the people of Sri Lanka.

Hong Kong

Demi, Sales Manager, Guangzhou Bamalosh Plastic Products Co. Ltd.

It has been a great experience at Intex Sri Lanka. We have connected with a lot of potential buyers, and we would like to be a part of Intex Sri Lanka next year as well.

China

Jyoti Mohapatra, Joint President in Marketing and Business Development, Grasim Industries Ltd.

We are part of the Aditya Birla Group and represent the fiber business, Birla Cellulose. We have seen a lot of traction, as Intex is one of the most popular shows where most of the manufacturers and buying houses in Colombo come together. It's a true one-stop solution for networking and serves as a launchpad for product development and innovation. Overall, it's a great show, and we look forward to coming back next year.

India

Lalindu, Sourcing and Technical Department, Norlanka

This is the third time we have visited Intex Sri Lanka, and we have found a lot of newness in terms of fabrics. We discovered many potential exhibitors who can cater to our requirements and help us grow our business in terms of quality and service.

Sri Lanka

Imran Khan, Country Manager, Mayoral

Intex is very professional, with multiple product categories and a wide variety of products on display. I am particularly keen to explore kidswear, especially for winter wear. Thank you, and all the very best.

Bangladesh

Ruhan Rodrigues, General Manager, Bernatali Sourcing Studios Pvt Ltd

I have been visiting Intex for a long time, both since it started in Sri Lanka and also in India. I am very impressed by the number of exhibitors, the services, and the offerings for the industry.

Sri Lanka

Natalia, Development Director, Russian Association of Fashion and Industry

We are here for the second time, visiting with a group of Russian buyers to explore the opportunities in this market. We are particularly interested in natural fabrics, and we find Intex Sri Lanka to be a valuable platform.

Russia

Raman Dutta, Founding Member and National General Secretary of the Brands and Sourcing Leaders Association

It's an amazing opportunity to visit Intex Sri Lanka. What brought me here is the global show, with participation from Chinese and South Asian companies, as well as excellent raw material sourcing opportunities. We are excited to explore the exhibition and take this forward.

India

The 3rd InMac – Smart Machinery & New Technology Exhibition 2025 was a huge success, which was co-located with Intex – The Premier International Textile Sourcing Show. This year, the industry stakeholders and buyers witnessed advanced technology and innovative products, accessories and solutions which were showcased by companies Korea, China, India, Taiwan, Hong Kong, Sri Lanka and principals from Italy, UK, Turkey, France, Spain, USA and more.

From digital printing to advanced sewing machines, from computerised to AI powered solutions, from robotics to AI-powered fabric printing machinery. These cutting-edge technologies drew significant attention from buyers at the show. As global demand for sustainable and agile production ecosystems rises, InMac is playing a critical role in helping factories transform operations with smarter, faster, and greener technologies. Whether companies are looking to upgrade efficiency, reduce waste, or integrate sustainability into your production line, InMac is gaining popularity alongside Intex and will soon become an important trade platform for the textile and apparel industry in Sri Lanka and beyond.

Overall, 98% of the InMac 2025 exhibitors rated the platform a success and are looking forward to participate in the next edition.
